

RED SANDS SOLAR - VISUAL SIMULATIONS

WINSLOW, ARIZONA

KEY MAP

Power Inverter

Access Road

7' Chain Link Fencing
with 1" Barbed Wire

Native Vegetation
(No Proposed Buffer Improvements)

Solar Panels

Access Road

7' Chain Link Fencing
with 1" Barbed Wire

Native Vegetation
(No Proposed Buffer Improvements)

Battery Energy
Storage Container
(BESS)

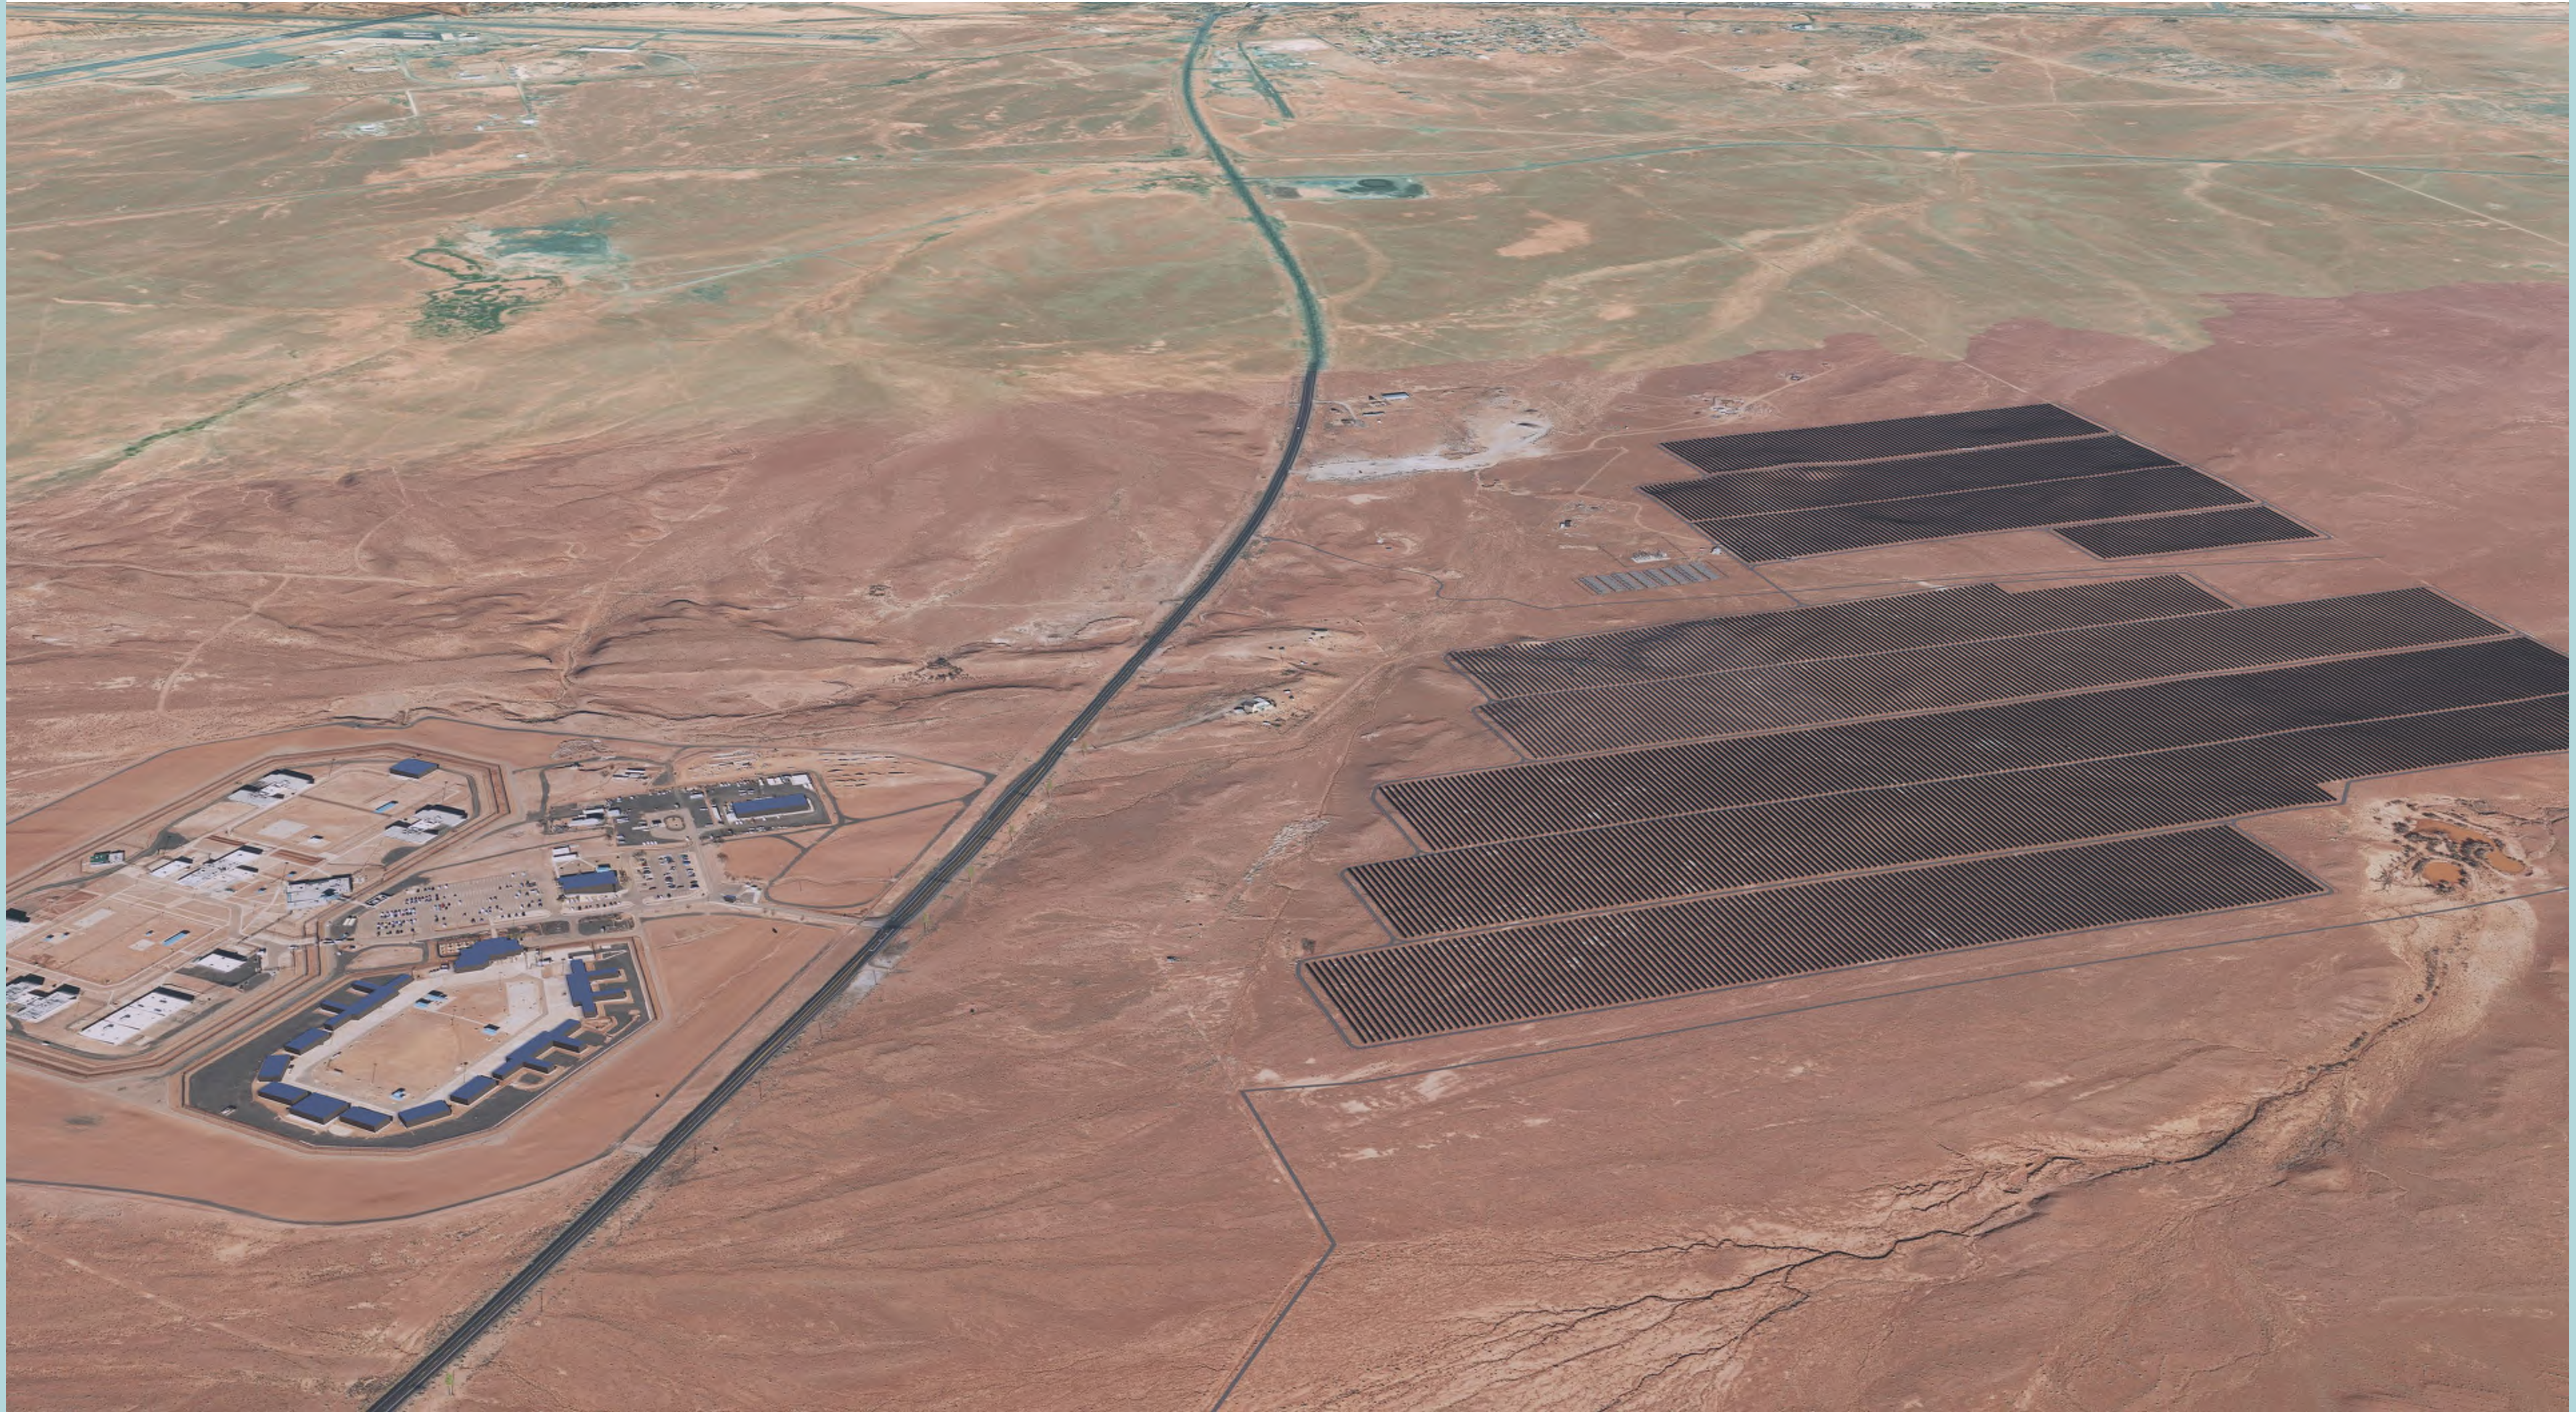

These images are visual simulations created for illustrative purposes, showing potential views of the proposed Solar project. Final design, layout, and appearance may vary and are subject to change based on project development, permitting, and engineering considerations.
